ABSTRACT

The abstract should summarize the content of the paper in less than 400 words. This A4 template should be used, and the margins, font type and size should be maintained. This will enable us to maintain uniformity in the final printed Proceedings. Do not use references, formulae or equations in the abstract.

Keywords: Author Guide, Article, Camera-Ready Format and Paper Specifications.

Completed abstracts should be e mailed to Debbie Savage (dsavage@uwic.ac.uk) by 19th December 2008.
